

LakeFest Drag Boat Races

August 13-15, 2010

This event marks the 19th year that the Marble Falls/Lake LBJ Chamber of Commerce transforms Lake Marble Falls into a liquid quarter-mile "racetrack" and the banks of the lake into a wild three-day boat race party. LakeFest takes place in Lakeside and Johnson Parks in Marble Falls, Texas. Expected attendance throughout the event is 8,000- 10,000 people!

On Friday, more than 100 boats go in the water for Test & Tune. Drag boat fans swarm Johnson Park on Friday evening for a chance to get up-close and personal with the drivers and boats at Show & Shine. The highlight of the evening comes at dusk as top-fuelers "fire up," shooting flames out exhaust pipes and splitting every ear-drum in the park.

Gates open bright and early on Saturday at 7 a.m. for qualifying races that last all day. The evening is concluded with a concert in Johnson Park.

Early-birds can arrive Sunday at 7 a.m. to get a great seat for opening ceremonies at 11 a.m. Top-fuel boats thrill crowds with astonishing speeds that can top 260 miles per hour. The day will end with the awards ceremony following the last race.
